

## BOSTON PUBLIC LIBRARY REMOTE RESOURCES: A SUMMARY FOR TEENS & THEIR FAMILIES

### eCARDS

Students who do not already have a library card can sign up online for an eCard (or have a parent or guardian do so, if the student is under 13). See <https://www.bpl.org/ecard/> for more information.

A video explaining the sign-up process can be found at:

### ELECTRONIC RESOURCES (GENERAL)

This page describes the electronic resources that can be accessed with either a regular library card **OR** an eCard: <https://www.bpl.org/online-resources/> For eBook and streaming resources specifically, see: <https://www.bpl.org/resources-types/ebooks/> Our most popular eResources include:

**Hoopla:** Borrow up to 12 titles a month. Movies and TV shows can be kept for 72 hours, music albums for 7 days, and eBooks and comics for 21 days.

**Kanopy (movies only):** Watch up to 4 movies per month. Once you click "play" on a video, you will automatically use up one of those credits, and you will have 72 hours to watch that movie as many times as you like without using another credit.

**OverDrive:** Borrow up to ten titles at a time. eBooks and audiobooks are lent for 14 days. Occasionally, a different loan period is set by the publisher, which will be displayed at check-out.
