October 5, 2021
6:30-8:00pm
Zoom Meeting

Minutes

1. Morton Street to River Street Small Scale Safety Improvements (Kathy Glynn)
 - i. Told no speed humps or speed bumps
 - ii. Proposed potentially one-way on Clearwater
 - iii. Limited hours of entry? We know it's not enforceable, we're not even asking for enforcement, we think the signs would still help.
 - iv. Double yellow lines helped on West Selden Street. Would it be possible to carry the yellow lines for the entirety of Clearwater?
 - v. Could we do 9' lanes and 7' parking? Road looks wide enough for that. We're looking at Forest Hills Street in JP as an example, and that's a much busier road; carries buses.
 - vi.
