Minutes

1. MBTA Community Engagement – Victoria Ireton

- i. Lots of changes to how the MBTA does outreach - publicengagement@mbta.com 617-222-3030
- ii. Victoria should be our go-to person when we have MBTA issues
- iii. Most peoples first thought is to go through 311 – how quickly do those items make it to the MBTA? VI: The 311 comments don't go through Public Engagement, so it's hard to say. Generally the best approach is to call in services issues to the call center

- iv. Mattapan line public meeting: <https://www.mbta.com/events/2022-04-13/public-meeting-mattapan-line-transformation-program-virtual>
- v. Who should BTM be inviting to public meetings? Engineering or Public Outreach? VI: could be both, but Public Outreach will definitely be better for follow up.
- vi. Victoria will check back in with us toward the end of the summer to see how we're doing.
- vii. If we wanted to post an advertisement for a survey of bus riders who would we talk to about that? VI to follow up.
- viii. Here is a link to Victoria's presentation: <https://g-mnc.org/wp-content/uploads/2022/05/Community-Engagement-MBTA-Presentation.pdf>
