## Minutes

1. Summer Nighttime Road Closures – BPD Capt. Flynn
  - i. People gathering were causing public safety issues, including the low rides
  - ii. They closed 3 places in B3
    1. Westview Street @ Westview Way (Harambe Park)
    2. American Legion
    3. Talbot Ave @ Bernard Street (Lee School)
  - iii. They do their zoom meetings and let people know there, but they've had a lot more interest since the BPDNews.com post.
  - iv. How is BPD interacting with the Civic Associations in the area?
  - v. The City has a Special Events team that approves events – they need to be reaching out to Civic Associations and BPD before they approve events.
  - vi. Generally speaking, people park on the sides of the road to hang out, eat drink, etc. Parking restrictions go into effect at 8pm in most places, and shortly afterwards the police begin to enforce the restrictions. They sometimes close the road as an aide to make sure people don't just come right back to park there again. If people from the neighborhood need to get through, they'll typically be let through.
  - vii. Capt Flynn will work with GMNC in the future to help communicate with the Mattapan community in the future.

2. Almont Park Maintenance – Barbara Crichlow/Earl Woods
  - i. Inconsistent maintenance at Almont Park – we need a schedule from Ryan Woods.
